

PANTHER CREEK THEATRE AUDITION PROCESS REMINDERS

Thank you to everyone who auditioned for the fall PCHS Theatre production of *Little Women*. We will send out a cast/crew list Friday evening via Remind 101, on the Instagram account (@[pchstheatre](https://www.instagram.com/pchstheatre)), and it will be posted on our website (www.panthercreektheatre.com).

Once the cast and crew list are posted, we expect all students to follow these guidelines:

- 1. React appropriately and maintain a positive attitude.**

Be encouraging of your fellow classmates, supportive of those who were cast, and mindful that others may be disappointed if they were not selected this time. The PCHS family is larger than any one production and we remain considerate of all who auditioned.

- 2. Wait at least 24 hours before requesting feedback from the directors.**

We do not discuss casting choices with students or parents, but we are happy to schedule a time for the following week to offer a student feedback on their audition. Students may write an email to the directors (after 24 hours has passed from the posting of the list) politely requesting to meet during Power Hour.

- 3. Trust the process and commit to the best for the production.**

In a growing and talented department like PCHS Theatre, not everyone may be cast in every show and you may not receive the part you were hoping for. No matter the outcome of this particular list, we work together as a company to do the best for the production. Trust that your directors have made decisions thoughtfully, own the role you were given, work towards your next audition/interview, and continue to participate in PCHS Theatre activities in the interim.

Thank you for auditioning and being willing to grow as performers and technicians in this process and throughout the year. We are so excited for what's to come!
