

Dear Future Panther Creek Theatre
Students & Parents,

May 16, 2022

My name is Bailey Robert, and I am the new Head Director for Panther Creek High School's theatre department. I am thrilled to begin building the PCHS Theatre legacy, but even more so I am delighted to be able to partner with the students and parents in Frisco ISD. Troy McKinney will also be joining the team as the Technical Director, and we look forward to meeting you all in coming months.

As school winds down, I wanted to provide an avenue to connect and a chance for teams to begin to grow. There are multiple ways to get involved, from launching a booster club to the inaugural student leadership team, and I would highly encourage anyone interested to fill out the forms linked on the next page. Information about production class auditions is also included.

We believe that theatre is a collaborative art, and it can only grow to its fullest potential with the inclusion of students and their families from the very start. Our hope is that together we can create a space for creativity, community, and compassion with a standard of excellence (and have plenty of fun while doing it)!

Please explore the links provided and follow us on social media so no one misses an update as our campus opens and theatre students gather prior to the start of the fall semester. We are planning at least one meet up in July and will share the news online when we have a date and venue. The new school year will be upon us before we know it, and we will be off to an even stronger start with everyone on the same page.

If you have any questions, please don't hesitate to reach out. I want to make this as smooth a transition as possible for all involved.

Thanks and happy summer!

Ms. Bailey Robert
